

12 Simple Ways to Engage Your Child While Reading!

Families lead, kids succeed.

You can help your child learn! Ask questions while you read to engage your child in the story.

- What is this?
- What do you see?
- What is _____ doing?
- Tell me about this.
- What do you think will happen next?
- What happened in this story?
- What happened in the end?
- Do you ever _____ like in the story?
- What was your favorite part of the book?

And don't forget: Talk about the pictures. Add a little more to the story– share ideas and languages with your child. Read the same books again and again – repetition is GREAT for young children!
